FIRE TAX: *The tax was due 4/30/26, if not paid by 10/1/26 liens may be assessed on your property.*

Winter Weather is on it's way! This often means household heaters are running and there is a danger of fire. Be sure you have a complete fire escape plan to include a drawn home map, two ways out of every room, a designated outdoor meeting place, and specific steps for calling emergency services and assisting family members.

CAREER & TRANSFER FAIR: Lassen Community College along with Alliance For Workforce Development, Inc. is having a Career & Transfer Fair on Friday, Oct. 16th, 9am-12pm. It will be held in the college gymnasium. The fair is designed to help people who are looking for employment in our area and students looking to continue their education though a university.

All BURNING PEMITS in Lassen County are still suspended. Wildfires are a major issue for all of us. We have experienced the devastation caused by the Bug and Hawk Fires. One lit cigarette out a car window, one gun shot at a target or a lawn mower in dry vegetation can cause a fire. Please be careful of fire and educate your young ones about the damage that can be done by one careless act. **Let's all do our part to prevent wildfires.**

School is back in session! Volleyball and Football seasons are in full swing! Check with Herlong High School for game schedules. Come out and support our young athletes!

In observation of Columbus Day
